It seemed like they focused on things they didn't need to.2 of 2 people found the following review helpful. Worth itBy E.E.I am going through the hiring process right now, and this book is one of my frequently-used resources. I purchased it primarily for help with the oral interviews, and it didn't disappoint. If you are looking for help with the written tests, however, this book is a little lacking. I recommend Barron's "Police Officer Exam" or LearningExpress "Police Officer Exam" for this purpose. I bought all three books, and they compliment each other nicely.

Lets go for a ride partner. I will walk you through the arduous process, guide you in the right direction, and at times

will even hold your hands. Written by a cop.
