Ruthann Godollei : How to Create Your Own Gig Posters, Band T-Shirts, Album Covers, Stickers: Screenprinting, Photocopy Art, Mixed-Media before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Create Your Own Gig Posters, Band T-Shirts, Album Covers, Stickers: Screenprinting, Photocopy Art, Mixed-Media:

0 of 0 people found the following review helpful. A fun take on making gig posters. By GKI found this to be a pretty well written and informative book. While it was easy to read and gets into the basic principles and how-to's, it seemed as if the book was geared more toward the novice/beginner rather than suitable for a pro-am/professional who has been doing them for a while. Not that you couldn't learn something new or different way but definitely better suited for the

beginner. There was various tutorials demonstrating different styles and techniques with easy to understand illustrations.0 of 0 people found the following review helpful. Gets the Basics, and then a little moreBy DillonThis is a superb book for all types of printmakers/art-lovers. It's easy to read and gets into the basics, while still providing professional tips to improve printing. I also enjoyed the amount of great examples to show what can be done with the techniques.0 of 6 people found the following review helpful. Nothing new here for me...By Pat McNothing new here for me... But might be good for someone with ZERO experience in making stuff...

Whether your band is just starting out or touring the nation, heres how you can build its identity by making your own unique gig posters, custom T-shirts, album covers, record sleeves, and stickers. Fans want cool and creative band merchandise, and this book gives you the tools and information you need to create your own.

From the Inside FlapWhether your band is just starting out or has been at it for years, you know it can be difficult to get noticed above the fray. The good news is that discerning music fans are drawn to cool visuals like moths to marquee lights, and with a little creativity, even the most econo-minded bands can come up with posters, tees, record and CD sleeves, stickers, and more that help ensure the locals will come out in force the next time your van pulls up to the club.
