From the Author May the Law be once more looked upon as a Grand Old Profession where, as the late Columbia Law Professor K.N. Llewellyn described in his book *The Bramble Bush*, "This doing of something about disputes, this doing of it reasonably, is the business of the law." From the Inside Flap **HERE'S WHAT THEY'RE SAYING!** "An excellent road map for the layman in traversing the tangled and complex jungle of the law." - Edwin L. Felter, Former N.M. Supreme Court Justice "I love it! There's such a need for this book! Revealing... interesting and practical resource materials... it illuminates the way to finding the best lawyer for you!" - Esther Sansone, President, The Legacy Company Vallejo, California "An easy to understand 'gold mine' for clients-and a 'must read' for attorneys! (Simple, brilliant ideas to get more cases!)" - Howard E. Bodney, Attorney Overland Park, Kansas "Roesler's accomplishment is a worthy one, providing the public with a sensible, systematic approach to choosing a lawyer. In my thousand plus courtroom hours, I have noticed how attorneys, and judges, treat unrepresented (pro se) persons like sharks view tuna. It's the toll of death most often for unrepresented parties with nary a grin in sight. So, follow Roesler's advice, find the best lawyer you can, and you may even find justice too!" - Joel S. Hochman, M.D. Forensic Psychiatrist Santa Fe, New Mexico (Expert witness in Charles Manson case) "This advice should save hundreds if not thousands of dollars to its readers!" - Catherine Butler Walnut Creek, California "Highly practical, responsible and reassuring, Roesler's valuable tips and insider disclosures constitute a public service with great resources for the wary consumer. This book levels the playing field of attorneys and clients, while ultimately benefiting the legal profession as well!" - Robert W. Hagebak, Ph.D., Clinical Psychologist, Timberlawn Psychiatric Hospital Dallas, Texas "This is great ... it makes us lawyers slap our foreheads and say, 'Why didn't I think of that!'" - David R. Collins, Attorney Seattle, Washington "Roesler has written an extremely helpful guide that can eliminate much of the anticipation, fear and unknown clients feel when they find themselves needing a lawyer." - Stephen E. Tinkler, Attorney Santa Fe, New Mexico **From the Back Cover** **IT'S ABOUT TIME WE GOT:** \*Straight talk from a respected attorney about the profession's best kept secrets! \*Inside tips to find "Hidden Gold" attorneys! \*Creative fee agreements! \*An expose on lawyer advertising! \*What you should know about Lawyer Referral Services!
