Nan-Lynn Nelson : How to Get Paid!: Interviewing with Style before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Get Paid!: Interviewing with Style:

0 of 0 people found the following review helpful. It is a very practical book chock full of useful advice and written in a very user friendly and ...By TodrickoThis book is a powerful book for young adults who want to learn the fundamentals of how to successfully prepare for and engage in a job interview. It was borne out of day to day experiences the author had working with young people. It is a very practical book chock full of useful advice and

written in a very user friendly and often humorous manner. It has tips on everything from facial expressions to diction to effective resumes. It helps the reader think about things they may not have thought about but that can have a major impact on whether their interview is successful or not. And the price is right! 0 of 0 people found the following review helpful. I was talking about this with a friend when she said that she heard of this great book on interviewing called By Thomas Terzi My daughter was going to be interviewed For a job with a big Ad Agency. She was very nervous--- and it showed. I was talking about this with a friend when she said that she heard of this great book on interviewing called, " How to Get Paid: Interviewing....." Sounded good to me, so I bought it (where else but on) and put it in her hands, and told her to see if this could help here. A day later she's smiling at me, and thanking me for getting her the book. A week later---she's smiling at me again and thanking me---SHE GOT THE JOB!!! Thank you Nan-Lynn Nelson!!! 0 of 0 people found the following review helpful. A Must Have! By Lynn E. How To Get Paid is exactly what my nephew needed after graduation. The exercises are great and they really make a difference. The author covers things that are not taught in a regular business school or class. I loved the information about speech and preparing for a professional presentation. This is a much have for all young job seekers! Thank you!

You've graduated and now you're finally ready to enter the job market. This is a big step. Finding the right job will significantly impact your life, your happiness, and of course your finances. Job hunting is a skill, and like any skill, it improves with practice. If you're just starting out, however, you haven't had the chance to hone your abilities quite yet. That's where How to Get Paid comes in. Here, you'll find a set of easily implemented tips and strategies to help you stand out in a job interview. From how to write a cover letter to an increased awareness of your verbal and physical body language, author Nan-Lynn Nelson guides you through the traits and skills you need to find employment quickly. You'll learn the importance of researching your prospective employer and how to shine in an interview without upstaging the interviewer. Written with the Millennial generation in mind, Nelson explores the job hunt from start to finish using gentle humor to make her points. With a focus on interview preparation and the soft skills business programs fail to consider, How to Get Paid will see you through to your first job and your first paycheck.

About the Author With thirty years of experience as an actor, Nan-Lynn Nelson is constantly interviewing for jobs with success. She's starred on Broadway, in primetime and daytime television productions, and in numerous television commercials and children's programs, including The Bloodhound Gang on PBS and Hot Hero Sandwich on NBC. Nelson is a teaching artist with a BS in English/drama and a certification in drama therapy. Her work with young people informed her of the skills and knowledge they often lack when entering the workplace, as well as the many strengths they offer employers.
