Dan Erlewine : How to Make Your Electric Guitar Play Great - Second Edition Bk/online media before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Make Your Electric Guitar Play Great - Second Edition Bk/online media:

1 of 1 people found the following review helpful. Excellent tips for the wannabe luthierBy RegularJimEasy to follow directions. Grab your screwdrivers, kiddos! You will not break your guitar if you read this book, but will only make it better.0 of 0 people found the following review helpful. A GREAT DAN ERLEWINE BOOKBy Mark KingThis is an awesome book by the master himself. I'm a huge fan of Dan Erlewine and his instructional videos.This book is a short cut to many of Dans set up tricks and procedures.Good music to all!0 of 0 people found the following review helpful. ... this if you play guitar you want this book great information you should always try to learn more about ...By Jay

Birdjust got done reading this if you play guitar you want this book great information you should always try to learn more about your instrument inside and out and this book will help you get there

(Book). From shopping for a first electric guitar to setting customized action, this do-it-yourself primer for owning and maintaining an electric guitar explains the ins and outs of choosing the right guitar; cleaning, tools, and basic maintenance; personalizing and improving on a factory setup; troubleshooting; basic guitar electronics; choosing and installing replacement pickups, pots, switches, and capacitors; setups of the pros; and much more. This new edition is overhauled from top to bottom and re-organized to make it easy for the reader to make his electric guitar sound and play great. This edition also covers bass guitars.

What tomorrow's great guitarists should know today about doing their own setup and maintenance. --Tom Wheeler, consulting editor, *Guitar Player* About the Author As the author of *Guitar Player's* popular Repairs column, Dan Erlewine has shown thousands of guitar owners how to keep their instruments in top condition.
