A psychometric test can be the difference between getting a job or notBy Midwest Book ReviewA psychometric test can be the difference between getting a job or not. Now in a newly expanded and updated fourth edition, "How to Master Psychometric Tests: Expert Advice on Test Preparation with Practice Questions from Leading Test Providers" is a guide for acing these tests issued by employers. With tips on preparation and several practice tests throughout, and enhanced with a free online test with a feedback report, "How to Master Psychometric Tests" is a must-have for anyone facing this hurdle.

This guide is a great introduction to tests and test taking. It covers ability tests and personality questionnaires, giving a detailed insight into the world of psychometrics. It will help readers understand the main types of test, increase their test taking confidence, develop strategies, and explore their work style and personality. With guidance on testing on the internet as well as a leadership-style questionnaire, it is a great primer for those who want to stand out from other job applicants.
