Very helpful books, I've been working with volume 1 for about a week now and I can already hear my playing improve. Definitely a great buy!0 of 0 people found the following review helpful. A Jazz ClassicBy NickExcellent compilation/representation of many key aspects of the bebop idiom0 of 0 people found the following review helpful. Excellent bebop book series!By Gil RosadoExcellent bebop book series. Buy books 1 through 3 in this series....you may not need other books to learn the bebop scales and

language. After these books, practice is what will be required.

A three volume series that includes the scales, chords and modes necessary to play bebop music. A great introduction to a style that is most influential in today's music. The first volume includes scales, chords and modes most commonly used in bebop and other musical styles. The second volume covers the bebop language, patterns, formulas and other linking exercises necessary to play bebop music. A great introduction to a style that is most influential in today's music.
