Will you make active or passive income? Can you meet the demand of potential clients if you'll have the advantage of a monopoly? How do you drive traffic to your store, whether it's online or a brick and mortar location? How much competition will you have to contend with? Do you engage well with others? If not, who will, and what kind of business won't require you to engage at all? Costs for things no one factors, like upkeep, even if it's just your computer you use. I know I never thought about a tenth of these issues. Read this book first before you open a business, so that you will know the pros and cons of starting a business and will ask the tiny but major questions before you fail at your dream.0 of 0 people found the following review helpful. Outstanding book on starting a businessBy Allen StemmVery Informative Book for anyone who is interested in earning extra income. Author have explained very effective strategies to start a business, which includes both active and passive income strategies. Just Right: Discover the Best Business Idea for YOU!Have you ever dreamed of getting out of the day-to-day grind and starting your own business? A recent survey found that 40 percent of people who wanted to become entrepreneurs did not pursue their dreams because they didnt have any ideas. And almost 50 percent stated they were reluctant because of finances. If you fall into one of these categories or if you are simply curious about what type of business will be right for you, this book provides those answers. You will find 10 business categories, specific examples listed in each category, followed by a list of pros and cons for each type of business. Far too many entrepreneurs start businesses blindly and struggle or fail as a result. Even more people never start a business because of fear. You will discover that it is possible for you to turn your skills, passions and talents into a business as well as the type of business that will be your ideal fit.Worried about money?Find businesses you can start for free!No idea where to start?Get information to guide your next steps.Afraid of failure?Learn which businesses have the highest chance of success. And how to prevent failure in any type of business.The average person is simply unaware of all the opportunities in the business world. It is a well-kept secret that keeps many feeling stuck in unfulfilling jobs without seeing a way out. Use this book to open your eyes and take your first step to a better life today!
