Paul Woodley : How to Write the Ultimate Resume from Scratch and Persuade Employers to Hire You Without Having to Interview!: The Complete Step-by-Step Guide on How ... Social Proof Your Resume for the Digital Age!

before purchasing it in order to gauge whether or not it would be worth my time, and all praised *How to Write the Ultimate Resume from Scratch and Persuade Employers to Hire You Without Having to Interview!: The Complete Step-by-Step Guide on How ... Social Proof Your Resume for the Digital Age!*:

Learn how to get more interviews faster than ever before when you social proof your resume for online distribution. "How to Write the Ultimate Social Resume From Scratch" is a 12 Chapter, Step-by-Step action plan, for anyone who is in need of getting a job fast but is having difficulty getting their resume noticed or is not getting calls for interviews. This book, which is more of a guide on how to write a social resume from scratch, discusses the phenomenon of social influence and how you can incorporate this powerful paradigm into your resume when looking and applying for jobs. Unlike traditional resumes a social resume adds elements of social influence that quickly introduces and enforces positive imagery in the minds of prospective employers; leading them to want to interview you. Like a product that has 500 hundred positive reviews which only helps sell itself even more, so does this social influence do for a social resume. Any resume can be social proofed! "How to Write the Ultimate Social Resume From Scratch - The Complete Step-by-Step Guide on How To Social Proof Your Resume for the Digital Age!" is the second book from Resume Elite that is even more straight-forward and simplistic that practically anyone from high school to post graduate can understand and do - quickly! Don't have a resume yet or want to start from scratch? This book will go over the basics of resume writing with some added techniques that set your resume apart from the competition as well. Have a resume already but just not getting the calls for interviews? Then add the elements of social proof contained in this book to influence your future employers. "How to Write the Ultimate Social Resume From Scratch - The Complete Step-by-Step Guide on How To Social Proof Your Resume for the Digital Age!" was written with one goal in mind - getting you the job quickly!

About the Author Paul Woodley is a multi-brand operations and brand manager for some of the world's most renowned fortune 500 companies. Over the last twenty years as a hiring manager in hospitality and customer service Paul has had the opportunity to read hundreds of resumes and interviewed over a few hundred job candidates in order to hire them for various positions within the companies he has worked at. The experience with resumes and interviews coupled with his experience in personal branding has allowed this book to come to fruition. Paul's favorite authors include Og Mandino, Anthony Robbins and Zig Ziglar to name a few. Paul believes that in order to achieve success in life one needs to be positive but take action as well. Paul is married with two children at the time of this book release.
