Delorme : Idaho Atlas Gazetteer before purchasing it in order to gage whether or not it would be worth my time, and all praised Idaho Atlas Gazetteer:

0 of 0 people found the following review helpful. Love these mapsBy Luna4I have a Delorme atlas for 11 US states. They're amazing; detailed, accurate, easy to read and aesthetically pleasing. The BLM land is easy to locate for free camping. Couldn't travel well without them!0 of 0 people found the following review helpful. Unequaled Detail!By JorgeFor the serious traveler or R/V enthusiast these Delorme books are superior to other offerings on the market. The detail presented is unequaled and enables planning and sight seeing in a way not otherwise available. This Idaho edition is consistent with the series and I am slowly building my collection of the States in my area of the United States.0 of 0 people found the following review helpful. Carbon12I love to travel some of the really back roads and this series is very helpful. I just wish they'd put date on the front so I could more easily tell new versions from older ones.

Wouldn't it be nice to always have exactly the right kind of map, whatever your needs may be? You will, with the uniquely versatile DeLorme Atlas Gazetteer Series. These topographic atlases cover individual states with the most comprehensive detail available, including back roads, backwater lakes and streams, boat ramps, forests, wetlands, trailheads, campgrounds, public lands, prime hunting and fishing spots, and countless landmarks and points of interest. You'll also find a wealth of information on everything from family outings to wilderness adventures. The Atlas Gazetteer is ideal for outdoor recreation, business travel, home or office reference, and countless other uses.

About the AuthorDeLorme has been directly responsible for many of the major technological advances made in the mapping industry over the past 30 years.
