The Hagopian Institute, LLC has compiled the Idiom Junkie series. The overall series includes over 5,000 idioms, focusing on a wide variety of idioms stretching from funny idioms, to necessary idioms, to rarely-used odd idioms. This particular edition of the series includes over 700 idioms that are perfect for helping people learn English as a second language. This book is aimed towards people who have a relatively good grasp of the English language to

begin with. The idioms chosen for this book are idioms that you will learn to use in your everyday life, but more importantly, they are phrases that you are extremely likely to hear from your friends, family, and co-workers. While this book does not have the illustrations that other books have, this edition makes a great reference guide, as it is put together in alphabetical order. Please share these idioms with your friends, family and co-workers. Enjoy!
