The Hagopian Institute, LLC has compiled the Idiom Junkie series. The overall series includes over 5,000 idioms, focusing on a wide variety of idioms stretching from funny idioms, to necessary idioms, to rarely-used odd idioms. This particular edition of the series includes almost 500 idioms that are rarely used in the United States. These idioms are great to pull out during a conversation just to see the confused looks you get from your friends and family. You will definitely have heard of some of them, but there will be many new ones that you will learn along the way. This edition makes a great conversation piece for the coffee table. Please share these idioms with your friends, family, and co-workers. Enjoy!
