**Julie Howard : Idioms in American Life** before purchasing it in order to gage whether or not it would be worth my time, and all praised Idioms in American Life:

0 of 0 people found the following review helpful. Great for Introducing Idioms to Advanced Foreign SpeakersBy Literacy Volunteers of S Sarasota Co.This is an excellent book to use when tutoring foreigners learning the English language. It is for more advanced learners who already have some understanding of our language.0 of 0 people found the following review helpful. Five StarsBy Michael SextonAs stated0 of 0 people found the following review helpful. read and smile how quickly students will see thru the muddle of cliches and idiomsBy 80th aero squadronthis is so good i ordered a secnd copy for when the first is lost

This text helps students understand and use 100 high-frequency American idioms in various grammatical and

situational contexts. Twenty self-contained lessons move from highly controlled to lesscontrolled use of idioms.

From the Back CoverThis text helps students understand and use 100 high-frequency American idioms in various grammatical and situational contexts. Twenty self-contained lessons move from highly controlled to lesscontrolled use of idioms. Provides intensive practice in exercises designed for fluency attainment as well as comprehension. Reinforces grammar, writing, and conversation skills. Each lesson features a seven-part dialogue that introduces the idioms, with usage notes, structure practice, and comprehension exercises. Also includes reviews, crossword puzzles, an appendix, and an index/glossary.
